North American Versatile  
Hunting Dog Association

Check out this Superstar!

One look at his lineage and you will see that Jake was bound for fame! Both of his parents were field trial champions and his dam was the 2011 NGSPA Open Shooting Dog of the Year and his sire was the 2009 Open Gun Dog Champion runner up. Two of his great grandparents are hall of fame dogs. Jake is the only VC dog out of Hi-Tailyn, but another Hi-Tailyn dog, Boogie, owned by Gary Johnson has a UT prize 1 perfect score. Hi-Tailyn produces some amazing dogs!

David has been a NAVHDA member for 20 years. His first hunting dog was a Small Munsterlander named Bruno. David hunted Jake the first year he got him and every year since. They mainly do quail in San Diego and Arizona and wild pheasants in Imperial Valley. Jake's favorite thing to do is run in the canyon behind his house looking for quail to point.

Jake has sired two Litters. One of his pups was a previous spotlight dog, Mae who earned a perfect score on her NA test recently. (thanks to Nala's training)

When they aren't hunting, you can find Jake lying flat on his back on the couch or asleep on one of the kids. He is a total all-around family dog. However Jake is not the boss - the family has a mutt named Bella who rules the roost and keeps Jake in line despite being 40lbs lighter than him.

Love to see a great line continue thru good breeding and dedicated training!
