Hunting Dog Association

Meet the beautiful Bella. Steve joined SD NAVHDA about 3 years ago. He didn't have a dog yet, he just wanted to check out how the club operated and get familiar with the various breeds. Steve was very active in the club, volunteering wherever he could and asking a lot of questions - he was hooked right away!

Steve used to hunt with his dad who had a GSP. When it was time to look for a dog of his own, Steve got a referral from one of the club members who had two GSP's from her. He met with the breeder and liked what he saw, so he put down a deposit and got on the list.

Steve didn't want to send Bella away for training, so with help from NAVHDA members, training days, lots of YouTube videos and an abundance of patience and dedication, he got Bella prepared for her Natural Ability Test. All the hard work paid off when Bella got a Prize 1 on the day of the test!

Steve is now working up to the next level of testing and plans to run Bella in the Spring UT test. Can't wait to see what this girl does this season, she is a great dog!
